## The Venue

We are located in Austria, well, in the nowhere of Austria. There is no noise except the one we make, still all amenities are here.

There are no limits in creativity and individuality because there is just us being us.

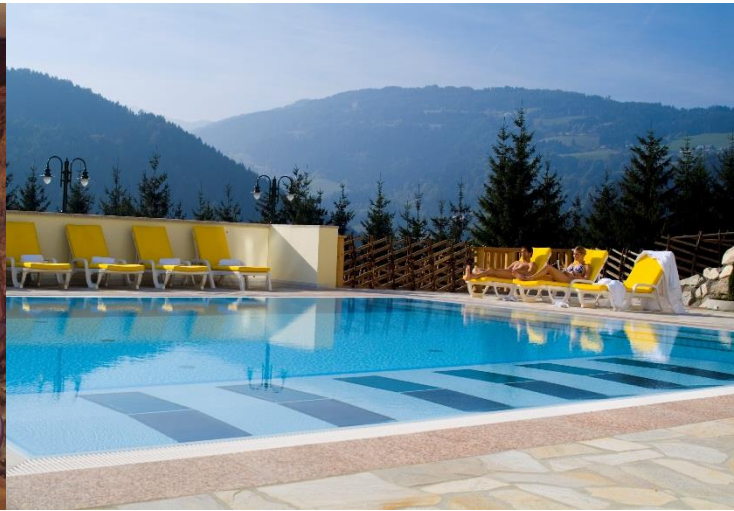

90 Suites and Guestrooms  
10 High Tech congress rooms  
3 Restaurants & Chalets  
3 Pools - always heated  
10 Saunas and Steaming rooms – 24 hours  
800sqm Eventhall with up to 10 different activities

The real asset though is our team and family. We adapt faster. Everything is possible – need a helicopter ride to the F1 circuit last minute? We've got you sorted.
